WHY SUFFER SO?

Get Your Health Back as Other Granville Folks Have Done.

Too many people suffer lame aching backs, distressing kidney disorders and rheumatic aches and pains. Often this is due to faulty kidney action and there's danger of hardened arteries, dropsy, gravel or Bright's disease. Don't let weak kidneys wear you out. Use Doan's Pills before it is too late! Doan's are a stimulating diuretic to the kidneys. Doan's have helped thousands. Here is one of many cases in this locality.

Mrs. J. H. Talman, River street, Middle Granville, says: "My kidneys were weak and active and my hands and feet bloated. If I stooped sharp knife-like pains caught me in my back and I could hardly stand up. I used Doan's Pills from Haskins' Drug store and they practically ran me out of the trouble."

The above is not an isolated case. Mrs. Talman is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches— if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Pills, the same that Mrs. Talman had. Sixty cents at all dealers. Foster-Milburn Co., 211 Buffalo, N. Y.

All services at the Methodist church Sunday were in harmony with Christmas and largely attended. The music was a special feature. The pastor, Rev. J. Clark Simmons, had for his subject in the morning "The Incarnation." The evening was preceded by an organ recital by Miss Helen Hewitt and was greatly enjoyed. The choir was at its best in giving the cantata, "The Child Jesus."

Mr. Vanderminden and bride left soon after the ceremony for Constock, en route for New York to pass their honeymoon. The groom has been a highly esteemed resident of Granville for several years and is associated with his father in Cot Bed manufacturing. He was a student at the R. P. I. Troy, for some time.
