## Southern Mothers Have Found a Way to Treat Children's Croup and Colds Without Internal Dosing

ALL mothers everywhere know that children's stomachs are delicate and their digestions easily disturbed, and therefore they should be given as little internal dosing as possible. Yet croup and colds come often and certainly cannot be neglected.

### A North Carolina Druggist Solves the Problem

Thanks to Laurence Richardson, a druggist in Greensboro, N. C., this problem has been solved, and Southern mothers have been given a method of treating cold troubles externally. Mr. Richardson discovered a salve that would vaporize by the body heat when applied over throat and chest. These vapors, inhaled with each breath, carried the medication through the air passages to the lungs, at the same time the salve was absorbed thru and stimulated the skin, attracting the blood to the surface and thus aiding the vapors inhaled to relieve the trouble. This preparation Mr. Richardson called Vick's VapoRub.

Vicks contains no harmful drugs, just the old-fashioned, time-tested remedies—Menthol, Camphor, Thymol, Eucalyptus, Turpentine, etc.—combined in a new-fashioned way.

### The Use of Vicks Has Steadily Increased

Starting with the customers of Mr. Richardson's retail drug store, the sale of this external treatment has grown, county by county, state by state, until now Vicks can be found in almost any drug store in all sections of the United States. Mothers who once use Vicks always keep a bottle on hand thereafter. It is so easily applied, so quick in its effects, and, best of all, can be used as often and as freely as desired, without fear of harmful results.

### DIRECTIONS FOR THE USE OF VICKS

Vapers Important—For these troubles a large part of the value of Vicks lies in its vaporizing qualities. So whenever Vicks is applied over the throat and chest, care should be taken to leave the clothes loose around the neck and the bed clothes arranged in the form of a funnel, so that the vapors arising may be freely inhaled.

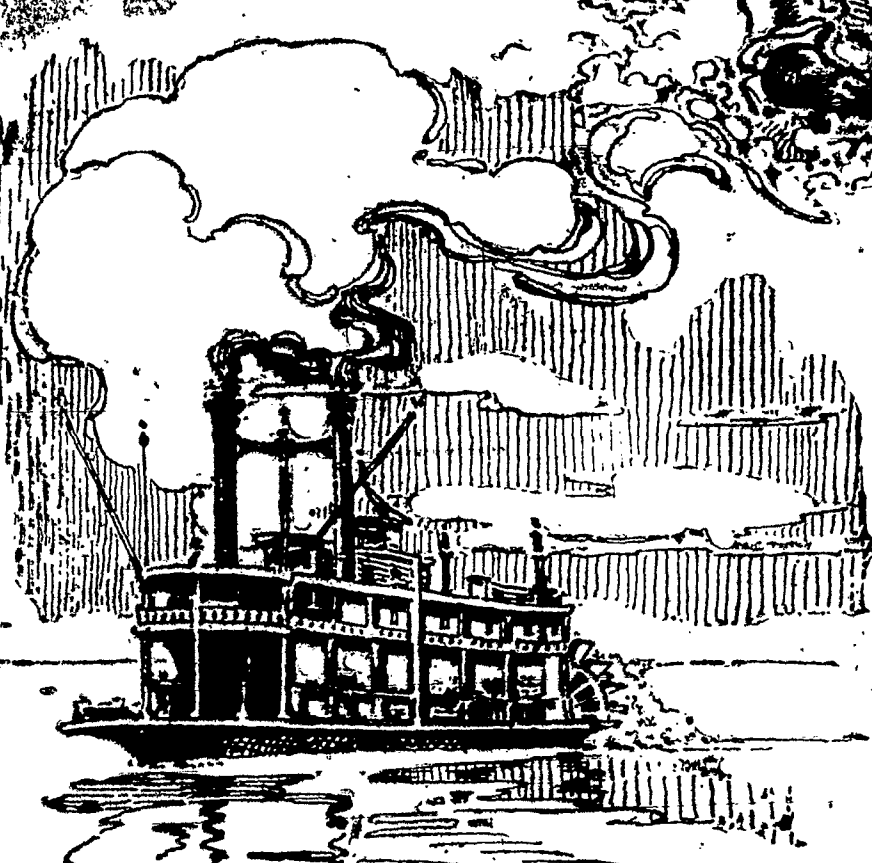

Hot Wet Cloths—In cases of deep chest colds, severe sore throat or influenza, pneumonia, hot, wet towels should be laid over the throat and chest to open the pores of the skin before applying Vicks.

For Head Colds, Asthma, Croup, Hay Fever—Vicks can be melted in a spoon and the vapors inhaled, or a little should be applied up the nostrils and snuffed up the head.

For Spasmodic Croup, Children's Colds—Rub Vicks over the throat and chest until the difficult breathing is relieved, then spread on thickly and cover with a hot flannel cloth. An application of bad time usually prevents a night attack of croup. Vicks is particularly recommended for children's colds since it is externally applied, and can, therefore, be used often and freely without disturbing the youngsters' delicate digestions.

For Deep Chest Colds, Sore Throat, Tonsillitis, Bronchitis, Coughs—or any affection of the respiratory organs where there is tightness or soreness, Vicks should be applied over the throat and chest. If necessary, first using hot wet cloths—and rubbed in well until the skin is red; then spread on thickly and covered with one or two thicknesses of hot flannel cloth. If the cough is annoying, a small piece the size of a pea can be swallowed every few hours.

Miscellaneous—In addition to its use for Cold Troubles, Vicks has been found excellent as a salve, liniment or plaster for troubles such as Bites, Burns, Itchings, Soreness, Sunburn.

### Now Over 17 Million Jars Are Used Yearly

The best evidence of the value of Vicks is the increasing number of families who, each year, are converted to the use of this real "Little Bodyguard in the Home."

The number of jars used annually for the last few years is:

1910	347,748 Jars
1911	523,152 Jars
1912	1,027,068 Jars
1913	1,357,590 Jars
1914	1,462,330 Jars
1915	2,418,213 Jars
1916	4,302,764 Jars
1917	6,799,511 Jars
1918	17,377,408 Jars

## SENECA FALLS

J. D. POLLARD, Agent and Correspondent  
Office, Clary Block Phone 166-N

William Thompson Beach. Seneca Falls, March 2—The death of William Thompson Beach, aged sixty-two years occurred early Monday morning on the Bridgeport road south of Seneca Falls, the cause of death being heart trouble. Mr. Beach was born here and practically all his life had been spent here. He was a farmer by occupation and a member of Seneca Grange, No. 44, P. H. He was also a member of the First Presbyterian church. He is survived by his wife and two sons, William Harrison Beach of Geneva and Chester Alexander Beach of this village, who has been spending the winter in Florida. The funeral will probably be held Thursday, depending upon the arrival of Chester Beach from Florida. Rev. Robert D. Merrill of the First Presbyterian church will officiate with interment in Restvale Cemetery.

Mrs. Alice Morse. Auburn, March 2—Mrs. Alice Morse, of Seneca Falls, was stricken with heart trouble while waiting for a train in the New York Central station late yesterday afternoon and died at her daughter's home, No. 131 Van Anden street, where she was taken in a taxi-cab, before medical attention could be obtained. Mrs. Morse had been in Auburn for a few weeks visiting her daughter and decided to leave for her home in Seneca Falls yesterday. Although she had complained of feeling unwell at various times during her stay here, she was apparently in her usual health when she left for the station. An effort was made to get a physician at the station but this failing it was decided to take Mrs. Morse back to the home of her daughter, Mrs. William Cassidy, Dr. C. P. McCarthy was then summoned but Mrs. Morse was dead when he arrived and Dr. Andrew J. Foreman, coroner, was called who declared death due to natural causes. Mrs. Morse had been a nurse in Rochester and of late years visited her children here and in Seneca Falls, but it was in Seneca Falls that she made her home most of the time.

Seneca Falls Briefs. Seneca Falls, March 2—Miss Peggy Langford has returned to New York city after a visit with Mr. and Mrs. Donald Loomis at Crary street. Prof. F. J. Medden has returned from Cleveland, where he attended a meeting of the National Educators' Association. At the regular monthly business meeting of the Baraca Class held in the First Baptist church last evening, the following officers were elected for the ensuing year: President, C. Fredrick March; first vice president, Hullo C. Harmon; second vice president, Warren C. Cushing; secretary, Ezra Irland; treasurer, Maynard Cory; teacher, Rev. E. W. Huff.

Seneca Falls, March 2—The Business Men defeated the Seneca Falls M. G. Co. in three straight games last evening in the City League on the Kellogg alleys, thereby making their position as leaders of the league more secure.
