HOBART TEAM BADLY CRIPPLED

Eight of the Regulars Are

Nursing Injuries—St. Lawrence Here Saturday

Coch Welsch of the Hobart College football team certainly has a jinx following him this season as far as injuries are concerned. The team reported for practice on Boswell Field last night and Welsch did not have one backfield man available for practice. Snyder the gritty little quarter-back was banged up so in the game with St. Bonaventure that it was impossible for him to report last night. Moran, star half-back, will probably be lost to the team for at least two weeks because of an infection in his left arm. Brower, sprained ankle in Saturday's game and he is able to just hobble around. Hudson, substitute backfield man, received a torn ligament in Saturday's game. Gasper, star full-back, is still nursing the injury received in the Clarkson game. This leaves Coach Welsch without a single man available in the back-field for practice.

In the line Elmer the star center, is still in bad shape. Clark, captain Loughey's understudy at end, is yet unable to scrimmage because of injuries received some two weeks ago. Capt. Loughey the shining light of the Hobart team was unable to report for practice last night because of injuries received in Saturday's game. Vogt and Morton who received injuries in Saturday's game, were just able to hobble around the field last night. With eight men nursing injuries and the hardest game of the season coming on next Saturday with St. Lawrence Coach Welsch has his work cut out for him in order to build up a defense that will hold the heavy scoring of St. Lawrence team. Only the highest kind of work will be the program for this week.

WANTS TITLE FOR CARPENTIER

French Boxing Federation Asks That He Be Recognized as Light Heavyweight Champion.

Paris, Oct. 19.—The French Boxing Federation, at a meeting Friday night, decided to ask the International Boxing Union to sanction the result of the Carpentier-Lewis fight by granting Carpentier the title of light heavyweight champion of the world. The union had heretofore considered this title vacant.

BASEBALL MEN MEET IN CHICAGO TO PURIFY THE NATIONAL GAME

Ban Johnson and His Supporters Refuse To Attend Until Grand Jury Investigation Is Completed—Also Plan To Get After Baseball Pools—Minor Leagues Are Interested.

Chicago, Oct. 19.—The "Lasker plan" of reorganizing professional baseball was being considered by owners of eleven major league clubs at the Congress Hotel last night. The club owners met yesterday and after a preliminary session adjourned until 6 o'clock last night. It was expected the session would last until midnight. Proposals submitted at last night's meeting were drawn up by a committee appointed earlier in the day and composed of Alfred Austin, A. J. Lasker, Charles A. Comiskey of Chicago, J. C. Jones of St. Louis, Barney Dreyfus of Pittsburgh and Colonel Jacob Ruppert of New York. Two resolutions were adopted at yesterday's meeting. One urged the enactment in every state of a law making it a felony to bet on a ball game or offer to take a bribe in connection with baseball. The other pledged the support of the magnates to the grand jury and any subsequent prosecution of baseball crooks.

Ban Johnson, president of the American League, declined to attend the meeting. He did not favor discussing reorganization while investigation of crooked baseball was under way by the Cook County grand jury, he said. Messrs. Dunn of Cleveland, Ball of St. Louis, Mack of Philadelphia, Navin of Detroit and Griffith of Washington did not attend. The magnates, managers and club officials who attended the meeting were: George Washington Grant, Boston Braves; William Baker, Philadelphia Phillies; James Comiskey, Louis Comiskey and Harry Grabiner, White Sox; Barney Dreyfus, Pirates; Jacob Ruppert and T. Huston, Yankees; W. L. Veck and A. D. Lasker, Chicago Cubs; Garry Herrmann, Red Sox; Samuel Bronson, Branch Rickey and J. C. Jones, Cardinals; John J. McGraw and Charles E. Stoneham, Giants; Harry Frazer, Red Sox; Charles H. Ebbetts, Brooklyn.

GENEVA HIGH PREPARES FOR HARD GAME WITH ELMIRA

Team Will Be At Full Strength When They Tackle Elmira Free Academy Eleven at Elmira Saturday—Beals Returned to Team Yesterday

On Saturday Geneva High finished the four early games with a clean slate, and now enters upon the more serious part of the schedule. Their first early game came Auburn, but this game will probably be played later in the season next year now that Auburn has been beaten. The next likely combination of backs would seem to be Frolch, Rogers, Kennedy and Beals, with Velt, Blighney and Harding as alternatives. Last year Geneva High had an unusually fast line and gained a good reputation for speeding lining up and getting off the plays. There is some mystery this year. The men individually look faster than last year, but the team as a whole does not seem to be in good shape, or is not yet at home with the signals and inconsequence does not keep the men of their toes and calls the signals with much pep and this may be the root of the trouble. Coach Bray is inclined to believe that the continual changing of men, and the making game with new line-ups has been responsible. Every effort will be made this week to speed up the men. Considerable work will be done also at the tackling dummy, as Geneva's work was very ragged in this regard, frequently tackling high, and frequently allowing men to go through their fingers.

Saturday's Games

Upset the Dope
The "dope" was upset all along the line as a result of Saturday's football contests. The Syracuse-Pittsburgh battle at Syracuse, ending in a 7 to 7 tie, was perhaps the biggest game in the east. Pitt had been picked by many critics to defeat the Orange and it was only by a bit of luck in the third period that Syracuse was able to tie the score. The Pittsburgh team was clearly at a disadvantage on a rain-soaked field, while conditions apparently suited Syracuse somewhat better.

Midgets Meet

Syracuse Eleven
The Midget football team will open its home season at Gulvin Park Sunday when they tackle the strong Hamburgers of Syracuse. The Midgets declare they have one of the fastest 125 pound teams in this vicinity and look forward to a victory Sunday. The team will practice tonight and all members are asked to report promptly at 6:30 o'clock.

BREAKS WORLD'S RECORD

Maurice Delivart, French Athlete, Covers 500 Meter Run in 1:05.35—Favored by Fast Track
Paris, Oct. 19.—Maurice Delivart, a French athlete, broke the world's record for the 500 meter run Saturday, covering the distance in 1:05.35. The race was run at St. Cloud under the auspices of the Sporting Federation of France before a large crowd. Delivart was favored by having a fast cinder track for his effort. The former record was 1:07.64, and was held by Rajz of Hungary. It was made in 1913.

ARMY ELEVEN PRACTICES FOR NOTRE DAME BATTLE

West Point, Oct. 19.—With the exception of Breidner, the Army's big guard who is resting in a hospital, all the Varsity men were out yesterday. The soldiers came through the Springfield football contest. Notre Dame contest a week from Saturday will be the Army's principal objective from now on, although Tufts is on the schedule for this Saturday.

YALE GIVES TEAM THOROUGH SHAKING

New Haven, Oct. 19.—Yale has a pair of new ends and a complete new backfield as a result of the shake-up ordered yesterday because of Saturday's defeat at the hands of Boston College. Thim Murphy replaced Kempton at quarterback, Kempton goes left-back, Howard Campbell succeeded French at rightback and "Big Ben" Jordan was given fullback, replacing Fred Webb, comprising the new backfield while Victor Stabock was given left end and Ed Cutler right end. The shifts will be tried during the West Virginia game Saturday and if they work will be made permanent. With the regulars in the other positions, the first team worked an hour in signal formation yesterday. The only liney session was confined to the second and third teams.

Captain Callahan, French, Qualle and Aldrich, who were injured in last Saturday's game with Boston College, were all in uniform but did not get into the signal drill except Qualle, who will probably be used at guard Saturday. Callahan's arm was in a sling and it is expected that Stabock and Aldrich will be used until the Harvard and Princeton games. It is likely that Kempton will be retained at quarterback regularly as he is subject to injury in a long campaign. Dan Kelly, Freshman captain, was given a thorough tryout in scrimmage this afternoon and showed promise.

DEAR OLD PETE: Winston-Salem, N. C. Friday p. m. Just wound up the one swellest day of my life! Since early this morning, when I got an invitation to visit R. J. Reynolds Tobacco Co. factories, I've been in the midst of millions of Camel cigarettes. Man—the happiest idea you or I ever had as to the size of this Reynolds enterprise, or the number of Camels manufactured daily, is simply piker-stuff! Wipe off the slate and start fresh! Why—Pete, it seemed to me like a couple of those cigarette-making machines could keep half the nation smoking Camels steadily—BUT—hopest to goodness, there are hundreds of these machines batting out Camels at the rate of \$27,000 an hour—EACH! Pete, you wouldn't have to consult a guide book to know you were in the Camel factories? The atmosphere is charged with that wonderful aroma you get when you open up a deck of Camels! And, you know, old elephant—you've had a trunk full! As the Camels dropped into the containers I figured the delight each one would supply! And, how Camels mellow, mild body would hit the right spot and how Camels refreshing flavor would cheer up some smoker's jaded appetite! And, each Camel free from any unpleasant cigarety aftertaste or unpleasant cigarety odor! Pete—I'll have to lay off and light another Camel! Write you some more soon. Yours joyously
