Florida Is 33rd State in Nation's Repeal Column

A HOMETOWN NEWSPAPER FOR OGDENSBURG AND THE NORTH COUNTRY

VOL. 1—No. 171

OGDENSBURG, N. Y., WEDNESDAY MORNING, OCT. 11, 1933

PRICE 5c.

Surplus of Three Million in State Treasury

Five Candidates in Race for School Board Jobs

STATE HAS SURPLUS ABOVE \$3,000,000

Controller Shows Revenues of \$303,774,551,
Against \$300,587,810 Expenses.

ALBANY, Oct. 10.—Banks, bond houses and other financial institutions are in receipt of a letter from State Controller Morris S. Tremaine, giving a picture of the State's financial condition as of Oct. 1. He notes that "revenues are continuing at least to equal, and in some instances to exceed, the budgetary estimates."

lapses, or net appropriations of \$182,662,505.85. Added to this figure is \$114,425,304.91, plus \$3,500,000 interest charges as the amount still to be set aside to meet outstanding notes at maturity.

REGISTRATION IN N. Y. CITY SETS RECORD

Opening Day Figure of 314,927
Exceeds Last Year by 40,-
027, Officials Report.

NEW YORK, Oct. 10.—The heaviest first day registration in the city's history bore testimony today to the widespread interest which the three-sided fight for mayor has aroused.

FLORIDA GOES WET BY HUGE MAJORITY

Returns from Half the State Show Ratio of 5
to 1 for Repeal—People Happy Over
Result.

TALLAHASSEE, Fla., Oct. 10.—Returns from half the state at 11:30 p. m. showed 35,000 for repeal and 7,000 against, and it was believed the final tabulation, with all districts reporting, would be 4 to 1 for repeal.

the advent of prohibition thousands of tourists have been visiting Bermuda and the Bahamas. Elaborate plans are already under consideration for the enticing of the tourist back to Florida.

US. TO HAVE PLENTY OF WHISKEY READY

WASHINGTON, October 10.—The United States might follow the 13-year-old drought, officials insisted that the supply would be ample. The required gallonage, up to an excess of 100,000,000, they said, could be furnished from a quantity of very old bottled-in-bond goods now in the warehouses, a larger volume of two years' age and over, and a still greater quantity of newer stuff that either already is aging or to be put in the wood between now and early December.

The supply of bottled-in-bond goods is around 4,000,000 gallons. All of this is necessarily four years old and over. Dr. James M. Doran, commissioner of industrial alcohol, a chemist by profession, said today that this could be "cut" ten times under such scientific meth-

Mr. McKee announced that his registration meeting would be held tomorrow night, when he and all the other candidates on his ticket will deliver their first campaign speeches.

Democrats Preparing For Battle

Arrangements for conducting a canvass and obtaining a full registration of the voters were made at a meeting of the Democratic city committee in campaign headquarters in D. H. Corcoran's office last night. There was a good sized attendance and all of the members took part in the discussion of the plans for waging a vigorous campaign in support of the city ticket.

Five Nominated for the Board of Education Here

Petitions for the nomination of five candidates for members of the board of education were filed yesterday with the board of elections at Canton. Four of the nominees, Mrs. Katherine Akin, Edward P. Lynch, Fred Elie and Capt. Joseph C. Howland, were recommended by committees representing the Republican and Democratic city organizations, and their petitions were signed by 250 voters.

The next states to vote will be Ohio, Pennsylvania, Utah, North and South Carolina and Kentucky, all on Nov. 7. Dec. 5 is the probable date when repeal will become effective.
