Harrissville news and notes

By Michaela Hess

FORTUNIGHTLY CLUB

The Harrissville Fortunightly Club has decided to generate a community-wide project and they need your help.

There is a great need for a new "Barnes-Aware" to be used in CPR training in the school community. The present "Annie" cannot be located or repaired due to insufficient funds.

Let alone practice. Several hundred students and community members have been taught CPR in the past 15 years. Local school personnel have taken and maintained instructor's courses to be able to provide this training without charge, except for books and materials.

As the year goes on, there will be an ex-

pected deadline that the school board could not be able to start the project in mo-

tions. This could be a new "Annie" for the continuation of this worthwhile train-

ing. A new "Annie" would cost approxi-

mately $1,000.

They solicit your help in this project. Donations from any group or individual would be greatly appreciated and at this time. Donations may be made in care of Barbara Mancheser, Harrissville Central School, PO Box 189, Harrissville, N.Y. 13648. Please help them make this worthwhile project become a reality.

DONUT DAY

Mark your calendar for Saturday, February 20 for the Harrissville United Methodist Church donut sale. They will have their famous Donut Lunches sold from 10am-2pm.

With a reminder to all about the Adult Fellowship Fund Sale on Sunday, February 17 from 10am to 12am. Attorneys were some picked up Ada Kaye or Dorothy Hurlbut.

Friday evening a hockey game was cancelled January 31 due to the weather. Plans for presentations were done.

A Special Rededication Service was held at the Oswechatchie First Memorial Methodist Church. When the Methodist Church burned, this church came out to help the Fletchers Church for a Cross which Bob Tebo has patched for rebuilding. Let several others help them make this a worthwhile day, February 20 for the Harrisville United Methodist Church donut sale.

The people in this area are real thankful that we have the Star Lake Volunteer Fire Department and Rescue Squad and such dedicated people. At one time or another their good works have touched every family in this area and they are really appreciatted.

Taking membership for taxpayers & landlord's association

To fight the improper impositions and injustices of the new codes and laws, assessments being passed by elected and appointed officials, we intend on hiring attorneys and other legal remedies.

Stand up for your rights - We can help elect new officials - We can petition for appointed officials to be dismissed and bring lawsuits against the town council.

Pool our resources and money to fight the injustices being brought on us.

We don't need any more laws - we need to enforce the ones we have fairly!

Happy Valentine's Day

Remember! Valentine's Day is fast upon us. All those who go without showing how they care about each other this Valentine's Day will be the ones who don't get a gift at all. Just show your love with a simple "I love you" and appreciate them. Have a very happy Valentine's Day.

Marcy Bigarel on dean's list

St. Lawrence University has announced that Mary J. Bigarel, R.I., 5, Gouverneur, a psychology major, has been selected for inclusion on the Dean's List for academic achie-

ment during the Fall 1986 semester.

She is also a participant in the International Study Program in Aus-

tria.
