Sunday, May 17

Tire Tackle

RT. 58, EDWARDS

Fishing Tackle

We stock over 350 different types of bulk plastic baits. All baits are quality made in the USA and are hand tied. We are offering two new baits, the Laker Special and the Laker Special Jr. These baits come in a tube of 100 and are perfect for smallmouth bass or walleye. Our bait section is complete with plugs, spoons, spinners, and spinners. We carry all your basic tackle needs. We are also the only store in the area that carries the new Pro-Wire hooks.

Jennifer Denault completes studies

Gouverneur High School graduate Jennifer Denault, a member of the class of 1998, has completed her studies at Utica College and is now embarking on a career as a veterinarian.
