Van Amburgh & Co's. Great Gol-

den Menagerie has been consolidated with Frost's Roman Circus in Elizabethtown, Saturday Sept. erie-the oldest show organization working it by two handles moved in the world—which has always been But notwithstanding all the time and in Europe. As years have gone thing in actual daily use yet. All and to day it boasts of a greater variety of beasts, birds, and reptiles than any other exhibition on the continent. The present consolidation with Mr. Hyatt Frost's Roman Circus and Colosseum, places the combination in the very foreground of all institutions of a like character. A perusal of the advertisement in this week's paper will convince the most skiptical of the real merits of this gigantic aggregation. It is a pleasure for us to chronicle the fact Mr. Frost, the veteran manager, 'It was about an hour after mid- keeps constantly employed, at his top and bottom so the milker can night. All Rome was up waiting to own expense, a U.S. Detective for swing horizontally, with additional provisions for raising or lowering the whole. This enables the operation of the light-unbecoming the respect due to fingered gentry who follow in the der of the cow standing in any posi- ale.
