

## Olean To Play Hamburg In Benefit Game

Salamanca football fans will have a chance to see two of the best semi-pro teams in Western New York when the two strong football eleven of Hamburg and Olean meet at Veterans Memorial Park on Thanksgiving Day, November 29th.

The gate receipts of the game will go to the widow of the late William Brown who was accidentally killed November 4th at Hamburg, in the game played there between the Salamanca Benz Engineers and Hamburg. Stunned by the loss of their popular teammate, the Engineers cancelled the remaining games on their schedule and arranged a game between the two powerful semi-pro teams.

Due to their own grief because of the loss of their teammate, and a sincere desire to extend sympathy and practical aid to Mrs. Thelma Warwick Brown, widow of the popular young Salamanca athlete, the Engineers are putting forth a great deal of effort to make the proceeds of the game a success and deserve the wholehearted support of the community.

During his high school years, "Bill" as he was known to his teammates and friends, played football, basketball, baseball and was also active in track. He was considered one of the best athletes, that ever wore the red and gray colors.

Tickets for the benefit game went on sale Tuesday of this week and may be purchased from any of the members of the Engineers team.

R., which went out of existence with the death about a year ago of Mandeville Wells, last member of the G. A. R. here, were presented to John D. Hughes Post by the Rev. H. S. Kissinger. A. Edward Krieger, service officer of John D. Hughes Post, on behalf of the local post accepted these relics, which later will be placed in the county historical hall at Little Valley.

## New York State Road Signs To All Be Black and White

The directional signs in New York State will be done uniformly in black and white as they need repainting, instead of the black and yellow some of them now use, it is announced by David Noonan, Deputy Commissioner of the Division of Highways. Tests made in Pennsylvania and elsewhere, it is said, have proved the black and white sign easier to read than those having other color combinations. The change will be accomplished gradually and it will be several months before all the markers are repainted.

## Annual Christmas Seal Luncheon

The twelfth annual Christmas Seal Luncheon meeting was held in Ames Hall, Ellicottville on Tuesday, November 13th. Despite a severe storm, one hundred people enjoyed a meal, served by the ladies of the Eastern Star under the leadership of Mrs. W. H. Shearman, matron, and music by the Ellicottville High School Orchestra led by Professor Gull.

W. H. Shearman, County Christmas Seal Chairman, presided at the meeting which followed the luncheon. The invocation was given by Rev. Otis Epperson of Ellicottville. Dr. C. A. Greenleaf, president of the County Tuberculosis Association, spoke on "What We Have Accomplished." His remarks, emphasized by the use of charts, showed the progress of health work and especially of corrections from 1922 to 1934, inclusive. Dr. R. M. Atwater, County Commissioner of Health, briefly outlined the value received for the money expended in the County for the development of the County Department of Health program. Thru state aid and income the actual cost to the County for the tuberculosis sanatorium has been reduced to one quarter of the 1931 figure. At the end of his talk Dr. Atwater quoted George Vincent, former speaker at a Christmas Seal Luncheon, who ended his discourse by saying, "Let's go out and cover every adhesive spot in Cattaraugus County with Christmas Seals."

Dr. J. H. Korns, in his talk on "Tuberculosis To-day", emphasized the fact that tuberculosis is not hereditary. He said in part that the average layman today considered it a disgrace to be known as one suffering from tuberculosis. Parents are afraid to have their children examined for fear they might be found suffering with tuberculosis. These conditions hinder to a great degree the finding of tuberculosis cases, according to Dr. Korns.

Miss Wheeler of Portville gave an inspirational address on "Dr. Trudeau and 'The Little Red'" illustrated from her intimate knowledge of the famous pioneer in Tuberculosis work. Just 50 years ago Dr. Edward L. Trudeau, suffering from tuberculosis himself, went into the mountains around Saranac Lake and built a little four-room cottage which is known today as "The Little Red". The Christmas Seal this year carries a picture of this cottage. It shows a winter scene with a sleigh drawn by two horses before the cottage. It was from this small beginning that developed the 600 modern well-equipped sanatoria in every part of the United States today.

In the fight against tuberculosis today doctors recognize the ideas approved by Dr. Trudeau; that is, the necessity of rest, fresh air, good food, and the cooperation of the patient with those directing the treatment of the disease. One fact emphasized today is: "EVERY TUBERCULOSIS CASE COMES FROM SOMEONE WITH TUBERCULOSIS!"

Those from Salamanca in attendance were Robert Vallely, city chairman of the campaign; C. N. Abbey, Charles L. Finch, Mrs. Ella M. Finch, Mrs. James McFarland, Mrs. Mary Stapleton, Mrs. Minnie Lowe, Mrs. Margaret Gastman, Miss Caroline Pringle, Miss Katherine Nolph, Mrs. William Hubertus, Mrs. Henry Neff, Mrs. Laura Wilson, Mrs. Emmons Frank, Mrs. Matthew Weber, Mrs. John L. F. King, Mrs. J. S. Valloly, Miss Jeanette Toner, Miss Eleanor Busier, Mrs. William Coleman and Mrs. E. F. Graham.

## County Budget Before Board Of Supervisors

Tentative Budget as First Presented to Board Was \$490,594.65 For The Coming Year

The Board of Supervisors of Cattaraugus County met in their annual post election long session at Little Valley Monday afternoon, meeting again Tuesday morning, Wednesday and Thursday.

The principal business at this session outside of the purely routine business of the board is the adoption of the budget for 1935.

The amount of the tentative budget as presented to the board was \$490,594.65, slightly more than last year. The 1935 budget figures are, General, \$235,668.05; Welfare, \$107,210.00; Highway, \$147,716.60.

A committee was appointed Monday afternoon to canvass the vote, a usual proceeding following elections.

For the construction of 320B highways during the coming year \$58,000 was appropriated. No appropriation was made for this purpose in the budget for 1934 but later in the year the sum was appropriated and was spent for highway purposes, due to the late action of the state legislature in providing for state aid only after the years budget had been adopted.

\$4000 was placed in the budget to meet the deficits of the Cattaraugus County Agricultural Association in 1933 and 1934. The fair deficit last year was \$2500 and this year \$1500.

Restoration of pay cuts made in county employees salaries was provided for in some cases in the tentative budget and \$10,000 for the T. E. R. A. administration was provided, calling for \$4,150 for salaries and \$5,850 for office and traveling expenses. The largest increase in any item under the welfare fund was for the care of the aged, \$78,400 being provided, an increase of \$5,060 over the current year's budget.

A decrease in the appropriation for penal institutions was made, the amount being decreased about \$500 from the 1934 figures. Salaries in the county clerk's office were increased \$1000, bringing this appropriation to \$16,200, and salaries of the election commissioners would be increased \$800 each, to \$1200.

Among reports presented to the board at this session was that of Hiland W. Martin of Olean, county probation officer. The report follows: TO THE HONORABLE BOARD OF SUPERVISORS, CATTARAUGUS COUNTY, LITTLE VALLEY, NEW YORK. GENTLEMEN:

It gives me great pleasure to submit to you herewith report of activities of this Department covering the first eleven months of its existence in this County.

Under the Civil Service Law, a County Probation Officer is appointed (Continued on page 4)

## Salamanca Men Released On Kidnap Charge

Three Salamanca youths, Ferdinand D'Archabaudt, 29, Marion J. Fisher, 25, and Victor Ashley, 25, arrested a few weeks ago on the charge of kidnaping of Russell Counsell, aged 5, son of Mrs. Alberta Counsell were freed by the Erie County grand jury and all kidnaping charges set aside.

While there, they picked up the Counsell boy and drove around Buffalo. Fisher and Ashley claimed they were unaware that there was any wrongdoing, as Fisher knew the boy as D'Archabaudt's son.

The three youths returned to Salamanca and first learned of the reported kidnaping when they arrived here. D'Archabaudt was found at his residence in Maple street and taken to police headquarters, Ashley and Fisher appearing soon after to find out if they were wanted.

At first D'Archabaudt claimed that the boy was his and the boy's mother was his wife, but in court he pleaded guilty to the kidnaping charge, and when the jury learned all the details of the affair, he was freed.
