A reception is being held in the honor of Sister Mary William who is completing her term as principal of St. James School, on Sunday, June 18 from 6:30 to 8 p.m. at the school. The reception had been scheduled previously for Saturday, St. James Guild extends an invitation to friends of Sister Mary to be present.

As Sister Mary William completes her term as principal of St. James School, we would like to call to mind some of her interests and accomplishments. During the six years she has been in Gouverneur, Sister has had an active interest in many people from the students in St. James School and the CYO to the sick and shut-ins by frequent visits to the hospital or their homes.

The innovations initiated by Sister in the school are significant.

Her encouragement of sports, especially basketball and cheerleading, have contributed both to the physical education program and the development of group activity and cooperation among the students. Another extra-curricular activity supported by Sister is Junior Forensic League. This is an organization of 10 parochial schools of the area in which students compete in Oral Interpretation of a written selection and Declamation, the delivery of a speech from memory.

Also, during the past six years, Sister has cooperated with the Junior High School by initiating French and Algebra courses in St. James. Sister's special interest in reading has led her to organize a reading program throughout the school in which each student attends the reading class on his own level and progresses from level to level at his own rate. This past year she also has encouraged a departmental program in grades 1-3 and 4-5 in which each of the faculty members teaches in his or her own field of specialization. The junior high has had this for some time. Perhaps her most recent step has been to establish a kindergarten program. Arrangements are well under way for its opening next year.

Above and beyond all the things she has done, the reason for them, is Sister Mary William's interest in each student as an individual who deserves the best that can be given him.
