

CHILDREN OF ANTWERP SNOWMOBILERS were feted Friday at a Christmas party. In upper photo, they are shown receiving Christmas candy. In lower scene, they wait by the tree for distribution of gifts.

A FIELD TRIP was taken recently by the seventh grade science class of St. James School to the farm of Mr. and Mrs. Albert Desormeaux. Under the direction of Sr. Constance, the class furthered their studies of ecology. As a result of the trip, the children made terrariums which are currently being displayed in the Science Lab.

RONALD THOMAS welcomed parents to the carpentry shop, during the open house at the Junior Senior High School on Dec. 6.

Dear Santa Claus,
We are two little boys—Peter age 3 1/2 years, and Patrick, age 2 1/2 months. Mommy is writing this letter as we are too little to write yet. We have tried awfully hard to be good boys.
For Christmas, Peter says he would like a big dump truck, a farm set, a bowling set, a Cookie Monster puppet, a fire truck, a pair of mittens, and some clothes and anything else you wish to bring but be sure to remember all the other little boys and girls, too.
Patrick says he would like a bulldozer, a toy cow that moos, a little bike, a pair of mittens, some clothes and any trucks you think he would like. He just loves trucks.
We will leave sugar for your reindeer and a lunch for you but remember we will be at Nana and Papa Hosler's and Nana and Papa LaPage's the same as last year. We are sure you know the way to their houses.
Have a Merry Christmas and thank you.
Love,
Peter John and Patrick Michael
LaPage
P.S. Please don't forget our buddy, Donnie, and cousins, Christopher, Michelle, Scott and Kelly Ann.
To Santa "My Friend,"
Please bring me a Snowmobile Sled, Big trucks, bang-gun and lots of books.
Please bring my little foster brother Billy lots of Baby toys. We will be at Papa and Nanny Green's, so please leave our toys down there.
Thank you,
Corey John
