HER CROSS LITTLE BOY WOULDN'T EAT OR SLEEP
"My little son had poor appetite, couldn't sleep and was cross. I gave him Vinol and it ended these troubles like magic."—Mrs. L. Du Crest.
Vinol supplies the most important mineral elements of iron, calcium with cod liver peptone. This is just what thin, nervous children or adults need, and the QUICK results are surprising. The very FIRST bottle brings sound sleep and a BIG appetite. Vinol tastes delicious! Horace Bush & Son, Lowville, N. Y.—adv.

The A. J. P. Saved My Foot.
Tupper Lake, N. Y., Nov. 22, 1901.
I have had rheumatism in my foot for 12 years. The doctors advised me that I would have to have it amputated. I have taken hundreds of dollars worth of remedies and doctors' medicines, but have never gotten any relief until I took the Farnous A. J. P. Rheumatic Remedy which has cured me. I cannot say enough in its praise.
Mrs. Stephen Hull.
It is guaranteed and your druggist has it.—adv.

Scientists have discovered that hash contains vitamins, which doesn't surprise us much, as we already knew that the cook put about everything in to it.

"Married Life" Not Worth While

Blames Wives' "Nerves"
"Weak nerves," said a New York doctor recently, "in my estimation wreck more happily married lives than any other cause."
Besides making the sweetest disposition sour and irritable, nervousness is a terrible drain on your vital forces—it saps your youth and your strength and dulls your beauty. What a difference from the bright-eyed, vibrant girl he married. No wonder married life seems unbearable!
But you can get rid of your nervousness—speedily too—and become the steady-nerved, radiant woman you once were. Try the effect of Tanlac after meals and before going to bed, and if it doesn't soon make a new woman of you—doesn't rid you of that tired, strained feeling—go back and get your money.
Go to your druggist now and get a bottle of Tanlac. Millions of folks have started back on the road to youth, health and happiness with this world famous tonic and there is no reason why you, too, can't begin today to rebuild your worn-out tissues and revitalize your entire system.

It is said that the expedition of Columbus which resulted in the discovery of America cost \$2,115 and any communist will tell you it wasn't worth it.

IS IT PLAY FOR EYES,

TOO! . . . IT'S ALL HARD WORK for eyes, unless they see quickly, see easily and see accurately, without strain.
Give the only pair of eyes your child will ever have, all the help you can. And if he needs glasses, be sure to ask about new, wide angle Tillyer Lenses. They give his eyes extra help.
