containers have been collected. It is the wish of the Lewis County "Committee for a Better Environment" that the people will continue saving glass bottles and containers for depositing in the spring.

The Service and Hospitality Committee of Beaver Falls Grange have obtained barrels for clean aluminum which will be placed with the glass bottle con-

ainers in the spring. In the meantime, area residents are urged to save aluminum foil, T.V. dinner trays, pie plates, etc. If in doubt as to whether it is aluminum, try the "magnet test." A magnet will not pick up aluminum. It is requested that all aluminum articles be clean. Anyone wishing articles collected during the winter may phone Mrs. Embert (Ann) Marolf or Catherine Marolf.
