Matmen Victories

The Lowville Academy Red Raider mat forces posted their second and third victories of the young wrestling season, walloping Frontier League rival Indian River, 51-10 on Friday evening and then pinning Oswego County League power Phoenix 57-5 on Saturday afternoon. Off to their best start in three years, the local matmen expect to make a strong challenge for the Frontier League title.

An usually tough Indian River team was no match for the Red Raiders. Heavyweight Randy Bernat had the team's fastest pin (0:49 seconds) as the locals scored 7 pins and 3 decisions against the visiting Warriors. Also registering falls were Brian Kenely (3:38), Gary Peters (5:52), Mike Stewart (3:13), Mark Tabolt (4:34), Mike Niezabytoski (4:32), and John Tabolt (0:59). Winning by decision were Pete Pleskach, and Norbert Widrick. The Raider Jayvees also beat their Warrior opponents.

In three meets the Red Raider varsity mat team has scored 160 points to their opponents' 22 points, and have scored 22 pins. On Wednesday evening, December 12, the locals will entertain Alexandria Bay. While not overlooking the Baymen's visit, the Raiders are preparing for their first big test of the season against Sandy Creek on December 17. The Comets upended defending League champion Beaver River 32-28 last week and appear to have a solid Frontier League title contender. The meet will be held at Sandy Creek and could well decide the League.

Christmas Concert Set

On Thursday, Dec. 20, at 8:15 p.m., the Music Department of South Lewis Junior-Senior High School will present a public concert at the Junior-Senior High School Auditorium. There will be no admission charge.

Junior Chorus of 150 voices will be accompanied at the piano by Miss Amy Battles and the 92 member Senior Chorus accompanied by Mrs. Kathryn Cox. Both vocal groups will be directed by Mervin C. Murdock. Senior Band will be conducted by Joseph Skowryra. The public is invited to attend.

Boshart Herd Rated

Lloyd Boshart of Lowville, N.Y., reports that his registered Holsteins were classified for body conformation on Dec. 5. The scoring was done by an official classifier of Holstein-Friesian Association of America, Brattleboro, Vt.

Dairymen enrolled in this herd improvement program receive a numerical score for each animal evaluated. The True-Type Holstein represents theoretical perfection and has a value of 100 points on the classification score card. Each animal is scored, receiving a rating of Excellent (90 points or more), Very Good (85 through 89), Good Plus (80 through 84), Good (75 through 79), Fair (65 through 74), or Poor (64 points or below).

Including animals previously scored the Boshart herd has eight Very Goods and twenty-seven Good Pluses.

The information from the classification of the herd will be summarized by the Holstein Association in its high speed computer. Returned to the breeder, these reports provide useful information for selection in the herd. The data is also published and available as reference for the herd improvement programs of Holstein dairymen everywhere.
