## Lowville Community

### Birthday Calender

The purpose of this unusual calender is to build friendliness and cordial relationship among all the people of this community, plus giving local information about all important community events.

All the proceeds taken in by the Lowville Kiwanis Club on this project, with the exception of the actual cost of printing the calenders, will be used for the many worthy Kiwanis projects which are carried on throughout the year. Some of these projects are —

- Picnic for Fresh Air Children, hosts and families
- Annual Halloween Parade and Party
- Annual Christmas Party for Foster Children

and, many cases of help to needy cases that are brought to our attention throughout the year.

This calender will contain all information that any other calender has plus the following:

- 1 — Meeting dates of various clubs.
- 2 — Other important civic dates
- 3 — Printed name of the person on his birthday or wedding anniversary.

Your cost is \$.25 to have your own name on the calender, plus \$.50 for the calender, but it will actually cost your nothing for several merchants are offering special discounts on purchases you make on your birthday.

Let's all get into the spirit and get every name in Lowville on the calender so that we can at least call friends and wish them a happy birthday.

Within the next few days a member of the Lowville Kiwanis Club will be calling at your home to secure the names and birth dates of all members of your family.
