A VERDICT RENDERED IN THE CROKIN MURDER CASE.

Becca Goes Free. Kansas Gate Three Years, and Coughlin, O'Sullivan and Burke Are Sentenced to Life Imprisonment. Scene in the Court Room—The Convicts All Take an Appeal.

CHICAGO, Dec. 17.—When the jury sent word that they had agreed on a verdict yesterday afternoon, Judge Cramer took his seat upon the bench and the court was declared to be in session. One moment later the five prisoners were ushered in over the south landing from the jury room. John F. Becca, with a ghastly pallor on his face, and his blue eyes staring as though protruding from the black-hooded brows of a skeleton, was the first to enter the courtroom.

THE PLAYERS LEAGUE.

FIRST DAY'S SESSION OF THE MEETING IN NEW YORK.

Constitution and By-Laws Adopted—They Differ in Many Points from Those of the National League—List of Players Now Under Contract—Col. McAlpine Elected President—Other Officers.

NEW YORK, Dec. 17.—The meeting of the delegates of the Players' League today did not begin at 11 o'clock yesterday as expected as the members of the Brooklyn club were called up to a meeting of their own. All the delegates were present on time, however, including Temporary Chairman Johnson.

A CRAZY BOHEMIAN.

He Becomes Very Violent and Attempts to Murder His Child.

NEW YORK, Dec. 17.—Joseph Kracko, a Bohemian carpenter, who has been out of work for some time, but had secured employment yesterday, became crazy on returning home last night and attempted to kill his family. He first attacked his wife, who survived by escaping to the rooms of another occupant of the tenement house where they lived, 193 Avenue A. Kracko then seized his 5-year-old son Eddie and threw him into the window of the adjacent building. Fortunately both children struck against a railing and fell upon the floor of the fire escape, which managed to pull them into the window of the adjoining apartment where he was hiding; but Willie, another son, fell from his bed before his father pulled him down stairs and, catching her in the yard, kissed her and then threw her violently down the flapping.

GROSS EXAGGERATION.

PORTUGUESE OFFICIALS SO CHARACTERIZE AFRICAN REPORTS.

An Issue Expected Quietly in the Senate. Pinto Case—Story of a Portuguese Explorer—Eleven Deaths During a Severe London Fog—Gas Workers Urged to Secure Other Work.

LONDON, Dec. 17.—The London and provincial press are bristling with denunciations of the reports of the Portuguese officials and the attitude of Portugal in East Africa and the government being, as far as can be ascertained, in a similar state of indignation. It is difficult to see how prompt official action in the matter can be avoided, or how such actions can result otherwise than in the complete backdown of Portugal. The Portuguese officials, as well as a London correspondent, have reported that the Portuguese officials have been grossly exaggerated by Consul Johnston whose information consists wholly of a jumble of statements made by frightened or otherwise morally warped English missionaries. However this may be it is undeniable that Pinto has been grasping in forbidden territory and that his conduct has committed his questionable act, was obtained through fraud, deceit and falsehood, for which the Portuguese government must answer.
