WHEELING, July 17.—A fire broke out at 7:30 last evening in the Post building, in which may located the publication offices of the Morning Post, the Intelligencer, the Register and the Sunday Leader. The Intelligencer, Register and Leader will issue as usual this morning. The Post will issue a paper this morning, but will be unable to do so regularly for a few days. The Intelligencer has secured the use of the Post office, and will issue a paper from there this morning. The Register will be issued from the office of the Bee.
