Spring and Summer Breakfasts Should Be Interesting, Varied

By JOSEPHINE GIBSON Director, Heinz Food Institute

THE breakfast menu is usually more difficult to vary than that of other meals. It is easy to serve the same foods over and over again, but who wouldn't dread breakfast if they knew that every day they would see at the breakfast table exactly what was there yesterday? Fruits, cereals, breadstuffs and hot dishes should be varied. Be sure to utilize seasonable fruits and change the menu to appeal to appetites of various seasons. Spring and summer breakfasts may be especially interesting for there is a wealth of appropriate foods from which to choose. The following menus furnish interesting, well-balanced breakfasts:

- Whole Strawberries with Powdered Sugar
Rice Flakes Cream
Crisp Bacon Surprise Muffins*
Coffee
Sliced Fresh Pineapple
Rice Flake Waffles* Pure Apple Butter Butter Syrup
Coffee
Breakfast Betty*
Spanish Omelet* Hot Rolls
Halves of Cantaloupe
Fluffy Omelet with Tomato Sauce
Whole Wheat Bread Toast
Coffee

(* Indicates that recipes are given below.

Surprise Muffins: Cream 4 table-spoons butter, add 4 tablespoons sugar, then 1 egg and beat well. Sift 2 cups flour, 3 teaspoons baking powder and 1/2 teaspoon salt. Add to first mixture, alternating with 1 cup milk. Put spoonful of batter in greased muffin pan. On this, place teaspoon Apple Butter. Cover with spoonful of batter. Bake in oven 400° F. for 20-25 minutes. Makes 10 large muffins.
Rice Flake Waffles: Mix and sift 1 1/4 cups flour, 2 tablespoons sugar, 4 teaspoons baking powder and 1/2 teaspoon salt. Beat yolk of 1 egg thoroughly, add 1 1/2 cups milk, then add to dry ingredients, beating thoroughly. Add 1 tablespoon melted butter and fold in stiffly beaten egg white. Add 3/4 cup Rice Flakes and bake in a hot waffle iron.
Breakfast Betty: Heat Rice Flakes in oven. Have ready hot applesauce, mashed prunes or apricots, or any other thick fruit sauce. Make a betty in a serving dish by alternating three layers of flakes and two of cooked fruit. Serve warm with cream or fruit juice.
Spanish Omelet: In a skillet cook 1 chopped green pepper and 1 table-spoon chopped onion for five minutes. Add 1 teaspoon chopped parsley, 1/4 cup chopped Olives and 2 tablespoons Chili Sauce. Add 4 beaten eggs seasoned with salt and pepper. Cook until eggs are done, stirring occasionally.

Early Lead Proves Fatal

Lackawanna Goes Into Second Place Tie by losing to Tonawanda 4-2

Fighting to the last out but finding a four run lead too much to overcome the Lackawanna Baseball club lost a 4-2 decision to the Tonawanda Eldredges at the Stadium Fourth Park avenue, Sunday afternoon. The defeat puts the locals back into a three way tie with Williamsville and Tonawanda and left the Niagara Falls, who on the same afternoon notched a 5-4 victory over Tonawanda in undisputed possession of first place.

No pitcher in the game can win all of his battles and so it is with Lackawanna's own favorite, Big Chief Myers who was on the mound Sunday for the locals. In spite of the fact that they came out on the short end the Chief pitched a brand of ball which would have brought victory in the average contest and only eight bingles were secured from his deliveries throughout the day.

The visitors caught the giant moundman unawares however and bunched their hits to collect their entire total in the first three innings. Lubman, captain and stellar second baseman for the Eldredges, led his teammates on the offense and accounted for half of their total number of hits. Laskey, Driscoll and Wein also played a Class A brand of ball for the Tonawanda aggregation while their pitching star Andy Vickers allowed but twoints and had ten strikeouts to his credit.

Kaczka was responsible for Lackawanna's only two hits and Boley and La Freska brought in the two markers in the last of the fourth. The Chief received credit for nine strikeouts and refused to issue a single free pass to first during the contest.

Lackawanna will meet Lockport in the first league game between these two rivals on the local diamond Sunday and Manager Potts aggregation promises to make short work of their visitors.

FIREMEN OF WHOLE REGION TO PARADE INDEPENDENCE DAY

Thousands of firemen from all over Western New York and Southern Ontario will march with Buffalo's firefighters in the uniformed parade planned for the morning of the Fourth of July in dual observance of the city's Centennial and the Washington Bicentennial.

Representatives of practically every volunteer fire department in the area surrounding Buffalo will be brought to the metropolis of the region through the agency of the Southwestern Association of Volunteer Firemen, which embraces the counties of Erie, Allegany, Cattaraugus and Chautauqua, and more than 100 communities within those four counties. Six thousand firemen are enrolled in its membership.

Almost all the member departments are expected to muster the bulk of their strength and supplement it with bands and drum corps for the Fourth of July parade phase of Buffalo's ten-day program.

Both modern and antiquated apparatus will be introduced to present a review of fire-fighting progress. Commissioner George W. Hadden of the Buffalo Fire Department and Peace Justice Charles J. Shults of Gowanda, secretary of the Southwestern Association, have co-operated in arrangements for a display of equipment as old as 1881. That year will be represented by a small hand pumper.

Another relic which will be displayed will be a time-worn Prendegast hose cart of 60 or more years ago, which Jamestown firemen will bring to Buffalo.

JULY 2 SET APART FOR NIAGARA AREA

Saturday, July 2, has been designated as "Niagara Frontier Day" in the calendar of the Buffalo Centennial observance, and at this time features of special interest to the people of the vast frontier area will be presented.

The program otherwise arranged for the day includes the attractions provided for the entire festive period of ten days—the midway, transportation exhibit and trade esplanade, and competition by Buffalo grammar schools in a track and field meet, to open in the arena of the Centennial stadium at 10:00 A. M. and continue until afternoon, when it will be succeeded at 2:30 o'clock by a band concert and a high school athletic meet and at 4:00 by an aerial exhibition.

In the evening at 7:30 a band concert, selections by Buffalo choral societies, dances by groups and individuals, and diversified entertainment will be offered. At 8:30 there will be a grand entry and parade of historical costumes, floats and ceremonial detachments. The following will be featured: a band and a high school athletic exhibition. As the parade proceeds the parade will be followed by a band and a high school athletic exhibition.

The Reading Club has won the honor for the second year in a row. The Book Club has won the honor for the first time. The Library Committee has won the honor for the first time.

Say It With Showers; Ideas For the Bride-to-Be Parties

By JOSEPHINE GIBSON Director, Heinz Food Institute

SPRING engagement parties and showers for the bride-to-be offer unlimited opportunities for the ingenious hostess to introduce unusually attractive touches. In planning such a party you may decide to have a "Rose Shower" with rose decorations on invitations, roses in the house, pink ribbons for the packages, pink candles on the table and pink mints. An interesting method of distributing shower gifts is to have them hidden in various parts of the house and at certain times during the party hand the bride-to-be a card with a verse giving her a tip as to where to look for a group of gifts. When these have been found and unwrapped give her another card and so on until all have been discovered. The menu is important and either of these listed below is attractive for showers. Meringues with ice cream are especially suitable for the "Rose Shower."

- Chicken Salad Eclairs with Garnish of Pickle Fans*
Crisp Crackers Vegetable Mold
Salted Nuts Coffee Mints

- Meringues with Strawberries and Ice Cream*

Beat the egg whites very stiff and add to the mixture. Beat from the outside and fold in the egg white. Bake in a shallow pan in a moderate oven. Makes about 10 eclairs.

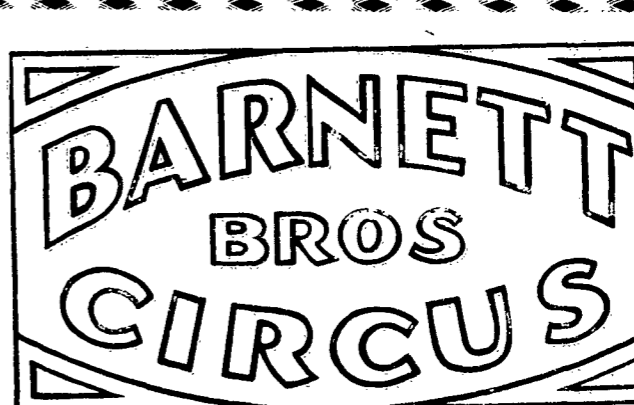

Meringues with Strawberries and Ice Cream: Beat 1 egg whites very stiff with a teaspoon salt, fold in 1/2 cup sugar, 1/2 cup sifted flour and 1/2 cup Rice Flakes. Bake in a shallow pan in a moderate oven. Makes about 10 meringue shells.

Garnish with pickle fans, made by cutting thin parallel slices almost the length of the pickle and spreading slices to represent a fan. Meringues with Strawberries and Ice Cream: Beat 1 egg whites very stiff with a teaspoon salt, fold in 1/2 cup sugar, 1/2 cup sifted flour and 1/2 cup Rice Flakes.
