Locals Meet First Setback Bowing To Tonawanda

Staleness Chief Feature in Upset. Rejuvenated Team Ready For Jamestown Sat.

What was probably the most startling upset in the scholastic football circles of Western New York occurred Saturday afternoon when the Tonawanda high school eleven downed the champion Lackawanna high school aggregation on the former's field 9-0.

ting the line for the extra point. The stonewall defense of the Lackawanna forwards on their own goal line prevented additional scoring.

"We have no idea to offer for the defeat," said Coach Del Fisher this week, "we were clearly outplayed and outstruck by a team over which we should have been able to score a comparatively easy victory."

Although Lackawanna has now joined the losers ranks, leaving not a single undefeated scholastic eleven in Western New York, it still retains the mythical championship of the section.

Tonawanda opened up with a strong offensive early in the first quarter. It was during this period that Amorosi suffered an injury, feared at the time to be a fractured cheek bone, which lost his services to the team for most of the game.

But the Steelmen have learned their lesson and are on the upgrade again. By their showing in practice this week all vestige of the slump has been shaken off and all are in fine shape with the exception of Amorosi.
