Day at the Skellar
Sample new soups! Join the soup club! promotional material!!
11:00 to 3:00 Wednesday 5/31
Announcements

Derby Days
The Brothers of Sigma Chi and the Sisters of Delta Delta Delta are currently in the process of a weekend community service effort. This being the first year of “Derby Days,” much time and effort has been devoted to ensure its success. They have already began such projects as helping with the construction of a playground at St. Luke’s Elementary, a beautification project at Woodrow Elementary and working with children in the classroom at Yates Elementary. Additionally, a clothing drive, pre-selling current and car wash are scheduled for this week. All money raised is to be divided between the Children’s Miracle Network and Children’s Cancer—the primary charities of Sigma Chi and Delta Delta Delta respectively. While tangible results such as dollars earned and completion of the projects are important, our main goal is to remind members of our responsibility to the community and to excite individual members to take more active roles within it.

Party In The Garden!!!
Friday May 26 Held in Jackson’s Garden
