

CITY PASTORS AND PEOPLE

The New St. Augustine's Church on Prospect Hill.

\$250,000 Enterprise About to Begin by Father McCarty—Movements Among the Various Religious Societies of Brooklyn.

From the present outlook there is very little larger than the new St. Augustine's Church on Prospect Hill...

The Rev. Mr. H. Vincent, the chancellor of the Chautauque University, gave an interesting discourse on "Chautauque Education."

St. Michael's Church, North Fifth street, near Bedford avenue, in charge of the Rev. Dr. Darlington, of Christ Church, is preparing shortly to give to the Episcopal Church...

Next Tuesday is All Saints' day and a morning service will be held at most of the Episcopal and Roman Catholic churches...

The Right Rev. Bishop Loughlin, D. D., will dedicate the new Italian church edifice, our Lady of Mount Carmel, on North Eleventh street, near Union avenue, on Sunday, November 23.

AMONG THE INTERESTING FEATURES OF THE PROGRAMME

Gossip Gleaned in the Engine Houses of the City.

Risky Endowments, but Certain Pensions—A Comparison With Volunteer Times—Visit from Dixey—A Curious Speculation in Futures.

The endowment money to be paid to retired District Engineer Minard will be in the hands of the District Engineer Minard...

Chief Engineer John Cunningham has a report to the Corporation on the condition of the Department's engine houses...

Next Tuesday is All Saints' day and a morning service will be held at most of the Episcopal and Roman Catholic churches...

Brooklyn has grown from infancy into a city of great magnitude, more than have been nursed into childhood, developed into manhood and taken prominent positions in the advance of the world...

Miss Anna Klenske enjoyed a pleasant party on the occasion of her 10th birthday...

WENT TO VISIT

How the Rev. Dr. Storms Prepares His Discourses.

They Are Written Only Occasionally—Notes of Passing Suggestions and Thoughts—Work Need Not Begin Earlier Than Tuesday, but Must be Finished Not Later Than Saturday Night—Preaching Under the Influence of Quinine—Advice to Newspaper Reporters About to Become Clergymen.

To many men a carpenter shop is an attractive place. To see the mechanic at work, to watch him as he makes the simplest articles of common use, is a delight peculiar to itself...
