Christmas Perfumes

We always look forward to selecting our Christmas Perfumes. We have taken great pains in selecting our favorite Xmas and before we had a chance to select them for ourselves we found out they were for the boys and girls. There is only one way in which we can have our favorite Xmas and that is by having them on our clothes.

DIRECTIONS FOR USE

1. On Christmas morning, take the perfume bottle from the drawer and apply it to your clothes.
2. Ensure that the perfume is applied evenly and that it is not too strong.
3. Enjoy the fragrance of your Christmas Perfume.

By this time you ought to have a good idea of what to give your loved ones. Here are a few suggestions:

2. A piece of jewelry—perhaps a bracelet or a necklace.
3. A piece of clothing—perhaps a sweater or a scarf.
4. A piece of art—perhaps a painting or a photograph.
5. A piece of music—perhaps a CD or a vinyl record.

We hope you find these suggestions helpful and that you have a wonderful Christmas!
