AURORA, Jan. 14, 1839.

The weather is fair—seemed aptly to suit the season.

A. BURR.

In reply to your learned memorial, I have the honor to inform you that the subject of your said memorial has been submitted to a committee of this State, and is now under consideration by them.

Yours, etc.,
[Signature]

J. B. Newell.

LORDS, Oct. 31.

A Legion, or body of horse, has been procured by the Emperor of Poland, by means of a proposal to the King of Poland, in order to enable the Emperor to bring the troops into the district of the Dniester, the manoeuvre being intended to be carried into effect at Berlin, or at some other place where the Emperor is now in the habit of staying.

A. J. B. W. M.}

The French have been ordered to the coast of Africa, for the purpose of preventing the British from landing troops on the African coast.

LORDS, Nov. 6.

The Hamboro Mail has arrived in the course of events, bringing with it the news of the fall of the Emperor of Russia.

J. B. Newell.

Saxony, Oct. 31.

The French have issued a circular order to all property to be delivered up within forty days.
