You can have all the services of a home telephone for only two or three nickels a day.

IT'S THE TALK OF THE TOWN!

It has come back to us as a great reader feat: INVESTMENT MATTERS is IN THE TALK OF THE TOWN! We know, of course, that the public are interested in how the market is faring; but we also know that there are very anxious and worried people who are looking for a safe and sound investment. It is our job to show them a way to a better income and a safer investment. We will do our best to help you make the right decision.

- **Stamp Description**: Pioneered radioactivity research, winning two Nobel Prizes in Physics and Chemistry.
- **Issuance Date**: November 15, 2020

**Meet Your Teacher**

**JOSEPH F. DROGUEN**

Joseph F. Droguen, born March 15, 1895, in Waterbury, Ohio, and married the former Kathleen Johnson, also of Waterbury. He has been an active member of the Waterbury High School faculty for the past 35 years. At present he is a chemistry teacher and is under graduate professor of Physics at Waterbury State College. His research work in the field of physical chemistry has resulted in numerous publications in technical journals, and he has made many valuable contributions to the science of chemistry. He is a member of the American Chemical Society and the American Association for the Advancement of Science. He is a past president of the National Association of Chemistry Teachers and is a member of the Waterbury Teachers Association.

**High School News**

If you are interested in the activities of the Manual Arts Club and want to know what is going on in that department of our school, you must read this column. It is written by the editor of the Club and gives you information about the Club's activities and plans.

**Assembly**

"Hooray! Hooray! The Manual Arts Club presented a splendid program last night, and this is your favorite Assembly. Come and see it!"

**PONTIAC**

AMERICA'S FINEST LOW-PRICE CAR

61 Lake Street
TUPPER LAKE AUTO SALES COMPANY

Tupper Lake, N. Y.

**Pontiac Sets More Car Sales Records**

Retail sales of new Pontiacs during the first 10 days of February continued the record-setting pace of last month, according to John H. Rendall, general sales manager of Pontiac Motor Corporation. Sales of Pontiacs during the first 10 days of February were 4718 new Pontiacs, which is 4.7 per cent above last year's figure of 4500 new cars sold during the same period. This is the best February record in Pontiac's history.

**Sunday School**

This Sunday School program is presented by Mr. Donovan, who is a teacher in the T.L.H.S. auditorium. The program consists of a short address on the topic of the week, a song, and a short message on the topic of the week. It is a great way to start the week off on a positive note.

**Ladies' Auxiliary**

The Tupper Lake Ladies' Auxiliary will meet at the Tupper Lake Hotel on Monday, March 2. The meeting will include a short program and a light refreshment. All members are welcome to attend.

**Tupper Lake Free Press and Herald**
