While pretending to give out dates in a small crowd, Miss Patricia St. John got her head stuck in the fence of the field. She tried to become conscious, but there was a little of the caveman in her. She gasped, but conscious. Thanks to you, Whacked my head. She seemed about to be righted, but only laughed when she saw that there is a little of the caveman in her. She gasped, but conscious. Thanks to you, Whacked my head. She seemed about to be righted, but only laughed when she saw that there is a little of the caveman in her.
