Leon and I, Sue, Bill Smith, Mike and Linda Schryver, Don and Janet Pierce, Cindy and Jim Williams, Eugene Breeze and wife, Nancy and Don Ridgeway and Nancy and Earl Meeks all attended the late show. Charlie brought from England, two brothers who have a comedy act "The Duffy Brothers". Were they ever a riot!

Peggy Manchester took me to Vicki Affinati's home in West Monroe on Monday to pick up Kimberly Manchester who spent several days with them at Enchanted Forest. The twins Renee and Robin showed me how they swim, as did Angela their big six-year-old sister. Boy, they do well. I had a great time.

Orientation Scheduled

The Student Advisement Center at the SUNY College is planning a combined orientation-registration program for August 14, to meet the needs of non-traditional students.

Non-traditional students are students who do not fit the traditional picture of the 18 to 22-year-old student, recently graduated from high school. Non-traditional students, also referred to as adult learners or re-entry students, are often older, perhaps married, raising a family, working full time or part time, but usually juggling their college education with other responsibilities.

Laura Smith, assistant dean of students, said that the non-traditional student orientation-registration program August 14 will be held at Hewitt Union starting at 5:30 p.m.

Jeffrey Dillabough was taken to the House of the Good Samaritan Hospital in Watertown last week, after having the misfortune of falling off his new bike. He sprained his wrist, finger and thumb and is in a brace. Great Grandma Alice Dillabough and Don Peston took him to the hospital.

"Speedy Get Well Wishes" go out to one of our Sandy Pond boys, now of Baldwinsville who is also a casualty of the tube races. Leaving the Firemen Field Days on Sunday, around 1 a.m., Michael Bachar and his brother-in-law, Kent Scullian, also of Baldwinsville, on the off-ramp in Maple View and the 104 bridge had the misfortune to be behind a truck or a car that lost all of their tubes which fell onto Route 81.

Michael's car flipped over an embankment. Kent was only shook up and climbed the bank asking for help, but the "others" (owners of all the tubes), got into their car or truck and drove off! Michael, who is the son of Bob and Arlene Bachar is in the Upstate Medical Center, room 7330. He is suffering from a broken neck, left arm broken in several places, head lacerations and pretty beat up from the waist up. However, a call Tuesday morning said that they have made him a neck brace, so now he can be moved and bandages changed. Let's all send Mike a card and some good wishes. He'd do it for you!

Nate and Mindy Hall returned after spending a week at the Nazarene Children's Camp in Brooktondale, N.Y.
