50 Cents for the Campaign

For the forthcoming presidential campaign we are making a strenuous effort to a Popularulist ticket. By this means not only our present but our future welfare is insured. We are confident that the popular ticket will win the election, and that the United States will then be what it was intended to be—"a land of liberty, and a home of equal rights for all."

The Campaign.

The Re-Union

The Paper for the People

The Re-Union has been established as a weekly paper to promote the cause of the people. It is intended to be a popular paper, and to attract the attention of the masses.
