WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM

No. 23

Question:
 Why is it that there are more than a million Buicks in use today?

Answer:
 Because Buicks are always popular with new car buyers and also because Buick's dependable construction results in a much longer life for Buicks than is ordinarily the span of service of a motor car.

MATRIMONIAL

TRIPP-CLARK
 The marriage of Miss Ada W. I. Clark, daughter of Mrs. L. R. Clark of 509 Hayward Avenue, Rochester, formerly of Brockport and Albert Burns Tripp, son of Mrs. John Tripp of Albion, was solemnized Tuesday afternoon at the Central Presbyterian church, Rochester. The ceremony was performed at 3:30 o'clock by Rev. Sherman L. Divine.
 The bride was becomingly gowned in white canton crepe trimmed in chantilly lace and silver beads. Her tulle veil was worn in coronet fashion and caught with orange blossoms and she carried a bridal bouquet of white roses and lilies of the valley. Her bridesmaid, Miss Ruby Clark, wore beaded sunburst georgette over rose color charmeuse with a bandeau of pearls and she carried an arm bouquet of pink roses and lilies of the valley. The groom was attended by his brother, Charles Tripp of Albion.
 Following the ceremony a wedding supper was served at the home of the bride's mother which was attractively decorated with lilies and pink and white roses. Covers were laid for twelve at the bride's table.
 Mr. and Mrs. Tripp left on a motor trip to various points in Canada. They will be at home after July 10th on Melville street, Rochester.
