ADAMS BASIN

Mrs. Robert Holland of Rochester was a Friday visitor at the home of her parents, Mr. and Mrs. Jacob Fetter.

Kenneth Barclay is now operating the former Glick Gas station on the Million Dollar highway.

Miss Mabel Ludlow leaves Saturday, the 4th, for Boston and Providence, where she will spend the following two weeks visiting friends. She expects Mr. and Mrs. George Rich of Providence to return with her and make a ten-day visit with the Ludlow family.

Miss Olive Ludlow of Rochester is home for a few weeks.

George Millener and Mrs. Joel Millener and children of San Diego, Calif., and Mrs. Pauline Day, of Buffalo were Sunday guests of Mr. and Mrs. Chas. Gallagher.

Leo Penders attended the conferring of the Initiatory Degree of the K. of C. at Albion Sunday.

Mr. and Mrs. Victor Mattison and Mr. and Mrs. Leon Zimmerman and family spent the week end at Lakeside, north of Albion.

Mr. and Mrs. Harold H. Barnum and Mr. and Mrs. Edward Ryan, left Sunday morning for Wautuma Beach, where they will occupy the John Glinther cottage for the coming three weeks. Leroy Ames and Miss Helen Frost of Knowlesville were week end guests of Mr. and Mrs. Barnum, and accompanied them to Lakeside Sunday.

Mrs. B. J. Fuitts is spending a few days at Spring Lake.

Mrs. George Richmond is visiting relatives at Hamlin several days this week.

The July Missionary meeting was held Wednesday at the church. Mrs. Jacob Shaffer's team was in charge of the supper.

Olive Hamann, celebrated her 10th birthday Saturday evening with a sausage roast at the Hamann home.

Children's Day and Automobile Sunday will both be observed this coming Sunday at the M. P. church. The Auto Service will be held in the morning, and has become one of the popular ideas as applied to church service. The Children's Day exercises will take place in the evening, and a pageant and other exercises of special interest have been arranged.

The Adams Basin P. T. A. picnic will be held Wednesday of next week, July 8th, on the lawn of Mrs. Edward McCabe. The affair starts about two in the afternoon, and a picnic supper will be served. The members are looking forward to a most enjoyable session, and a full attendance turnout is requested by the president and the committee having charge of the session.

The members of the Philistine S. S. Class were entertained Wednesday evening at the home of Marjorie Heise.

The Young People's Choir held a sausage roast Saturday evening at the home of Esther Campbell.

The "Umphans" held a sausage roast and theatre party on Tuesday of last week.

Mrs. Decker entertained her Sunday School class from Spencerport Friday.

Mr. and Mrs. Post of Holley are guests at the home of their daughter, Mrs. Joseph Osborn.

Mr. and Mrs. Amos Lourette and family of Williamson are to be guests of Mr. and Mrs. Walter Widrick, over the Fourth.

Allegra Osborn was the week end guest of Gladys McIntyre.

Mrs. Loese has been the guest of her brother, John Bentley, during the past week.

Mrs. M. W. Turner will be hostess to the members of the "500" Club Friday.

Highway Superintendent Harradine and his construction gang are making fine headway with the work on the East Town line road, where they are putting in one and a half miles of Bituminous Macadam, of 16 ft. width. They expect to complete their work there about the middle of July.

Mrs. George R. Ward entertained friends at luncheon and cards on Wednesday of last week.

George L. True maintains the lead in winning honors for his celebrated Corinne Valdega Koradyke Holstein. According to Glean Upton's rating, tester for Monroe County Dairy Improvement Assn., this particular cow beats all records for the month of May, producing 108.30 lbs. of fat and 2166 lbs. of milk. Her stablemate, Aggie Pieterie, 19d the Assn. in the production of milk. The true herd also had the distinction of leading the Association as a herd, the average being 1646 lbs. of milk and 61.45 lbs. of butter.

The annual Sunday School picnic held Friday at Ontario Beach was attended by about one hundred and fifty. The weather was not the most favorable on record, but the crowd had numerous activities planned, and there were enough things to do to keep everyone happy. The picnic

dinner kept up the Adams Basin record of being the best that could be prepared, and the sports during the afternoon provided much amusement. The necktie race was won by Marlon Flynn and John Thomas; the needle-and-thread race by Walter Widrick; the crocker race, by Mrs. Jack Floyd; the running race of Esther Campbell's little tot class, was won by Evelyn Murray; the running race of Mrs. Parmelee's class was won by Olive Hamann; Robert Fowler was also winner in a running race; Charles Turner of the Junior Boys won the shoe race. The baseball game between the married and single men was won by the latter, with a score of 10-7. Horse-shoe pitching occupied the attention of many, and swimming enthusiasts did not mind the temperature. There was a good time for everyone, and everyone seemed to take care of his share.

EFFECT OF BEES IN FRUIT CROP
Cold and cloudy weather the last of April and the first of May kept bees from flying, and prevented their reaching much of the fruit bloom of early cherries, pears and peaches. As these trees need pollination, they will probably show a poor setting of fruit, says Professor R. B. Wilson, of the State College of Agriculture.

Professor Wilson holds out hopes for a successful season from the standpoint of markets and prices. New York state honey is practically gone; prices have been good during the past year and show no sign of breaking, and the California sage honey crop will not be competing during the coming season. A third dry winter in California has blasted the hopes of the coast producers for a honey-flow this summer, so that New York beekeepers have nothing to fear from their product.

Contributors both in money and books have kept coming in for the bee-keeping library established at the college. Complete files of several bee-keeping journals have been received, as well as the personal libraries of such men as Moses Quinby, L. C. Root and others of prominence in apiculture.

4900 FARMERS IN N. Y. STATE USE HARVEST WEATHER FORECASTS
When the weather man says that fair weather is "strongly indicated" the farmer is pretty sure to go ahead with his haying for predictions carrying the key-words "strongly indicated" were right 98 times out of 100 in this state last year. The key-word "indicated" is less emphatic. Last year this class of forecasts for one, two, and three days in advance were correct a little better than 75 times out of 100. The key-word "doubtful" means just what it says. The forecaster does not know and says so frankly.

DOGS
All Dog Licenses Expire on June 30. Every dog must wear a tag of the current dog license year. A dog without such tag is not protected by law, and no action can be maintained for his injury or destruction.

An unlicensed dog may be seized and killed, and the fact that a dog is without a tag is presumptive evidence that the dog is unlicensed.

Dog licenses must be obtained from the Clerk of the city or town where the dog is harbored or kept.

License Fees Are as Follows:
Male Dog \$2.25
Female Dog \$2.25
Spayed Female Dog \$1.25

These amounts include clerk's fees. No license can be issued for less than the full license fee.

The owner of a dog who fails or refuses to obtain a license for the dog as required by law incurs a penalty of \$10.00 and costs.

The assessors of towns and the police departments of cities are required to prepare in June of each year a list of dog owners. The omission of the name of an owner from the assessors' or police list will not excuse the owner from obtaining a license.

If you owned a dog last year and do not own one now, so advise the clerk of your town or city.

Dog licenses in the Town or City of Clarkson are issued by G. H. Cotter, Clarkson, N. Y. P. O. Address, Clarkson, N. Y.

Round and Long
T. C. Mansard, in his book called "Typographia" (printed in London, 1825), says: "The introduction of the round 'v' instead of the long is an improvement in the art of printing, for which we are indebted to the ingenious Mr. Bell, who introduced them in his edition of the British Theater, published 1791-1802."
