Boys and girls below this age are welcome to come to the playgrounds if they are accompanied by an adult. The children may register at any playground of their choice, and attend any playground in the Fairport-Perinton area.

Sesqui Plans...

right now seems to be the absence of beards or mustaches on the gentlemen of the Town of Perinton. Of course these violators can avoid being served a Summons by stopping in at Headquarters and getting their "Shaving Permit" or what a lot of folks call "A Chicken Badge". We sincerely hope everyone will enter into the spirit of this "fun" part of the Celebration.

Sesquicentennial Gold Medallions
Did you see where a fresh supply of Gold Medallion coins were brought into the Town of Perinton the other day under heavy guard? Yes, the Police Department helped deliver a quantity of the souvenir coins to the Security Trust Co. in Fairport the early part of this week. These coins are being distributed to all business places in the Town of Perinton and have a Face Value of 50¢. They will be considered as Legal Tender in the confines of the Town until July 27th. After that date they will be a lasting souvenir of the Sesquicentennial Celebration.

Final Notice for Parade Entries
Entries for floats, marching units, bands, drum and bugle corps and general units have been coming in quite fast during the past week. We want to have as many people participate in the Gigantic parade on July 28th as want to but since time is drawing toward this date the Parade Chairman, James Schrader has set a deadline for entries to be placed in the Official Line of March. After Saturday, July 14th all entries will be placed in the parade in the order they are received.

Volunteer Help is Needed
During the next three weeks help is needed to put the final touches to this Stupendous Celebration. Help is needed to take care of Headquarters — anyone who can spare an hour or two a day, one day or everyday of the week is asked to volunteer their time to help in Headquarters. Help is needed to assist in the Queen's Candidate Contest — a couple of Boy Scouts could do the job. Drop in Headquarters and offer your services.

Antique Items Needed
Store windows throughout the Town of Perinton are planning to be decorated with Antique items during the week of July 16th. If you have any old items that date back to the early 1900's or in the 1800's please bring them into Headquarters so we can put them on display, properly marked with the loaner's identity, in these Antique window displays. Old Legal documents, Historical newspapers, wearing apparel, books, pictures, household items, farm implements, machinery — all will be taken care of and returned to the loaner.

right after the Sesquicentennial Celebration.
Souvenir Plates
The first order of Souvenir plates have been entirely sold-out. However, a reorder has been placed with the pottery and are expected to arrive any day. If you didn't get your Souvenir Plate by now contact the Queen Candidate of your choice and place your order with her immediately so you will be assured of one of these beautiful Souvenir Plates.

GOP Picnic...
membership committee jubilantly counted money for new memberships and renewals. Pierce Miller, in beard and copper, looked like a youngish Robert E. Lee. This Wagner, who says he will soon be a county court judge, shows hands everywhere. Al Knapp did a fair job on helping with the distribution as well as the consumption of the ice cream. The Augie Mauro family was well represented and we wangled a dinner invitation out of Mrs. M (one of Perinton's finest cooks) which we intend to accept as soon as our waist line subsides a bit. Bob Strachan was picnic chairman, Bill Dancy burned the hots just right, Mrs. Martin and Mrs. Knapp each masterminded a dining area and Dave Taber did a masterful job in obtaining the prizes.
