Advantage After School Program Begins

A wide variety of high-quality activities and experiences. Some of the activities, planned include music, dance, a variety of clubs, use of computer laboratories, and community centers. The AAS Program also provides academic support at each school, including access to the library and peer tutors. The nutritional snack is included.

Advantage After School Program

Advantage After School Program...

Advantage After School Program is an after-school program for students in grades K-8 at Beaver Falls, Beaver River from school dismissed until 6:00 p.m. Students who are enrolled in the AAS Program will have an opportunity to participate, under the direction and supervision of trained program staff members, in a wide variety of high-quality activities and experiences. Some of the activities, planned include music, dance, a variety of clubs, use of computer laboratories, and community centers. The AAS Program also provides academic support at each school, including access to the library and peer tutors. Students are given transportation home from the program by the bus, the teacher will wait for the student at the end of each school day, and the students will be able to eat a snack at the program during their stay.
