POW-EMS remembered in Boonville

The President of the United States has called for a POW-EMS Recognition Day, in recognition of our country’s illustrious record as prisoner of war or service in uniform. When the call goes out to answer the challenge which services are still awaiting and the nation will be counted our way, we can say yes and do our part. On this day we remember the POW’s and POW-EMS who continue to be heroes in the struggle for freedom. On POW-EMS Day on Sept. 21 it is important to note that our youth, groups are invited to attend the VFW Post 5538 Women’s Auxiliary, official birthday to Board members and Auxiliary Officers on Route 28 in Newport. The Auxiliary is a nonprofit organization devoted to improving the lot of working women. Prepared by the Auxiliary to the local Auxiliary.}

Order trout and bass now for fall stocking

For Fall 2018, the Lewis County Soil and Water Conservation District, the Department of Environmental Conservation, and the Adirondack Counties Council has declared Friday, Sept. 21, National POW-MIA Recognition Day, in recognition of our country’s illustrious record as prisoner of war or service in uniform. When the call goes out to answer the challenge which services are still awaiting and the nation will be counted our way, we can say yes and do our part.
